**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ive used a Comcast for years because I never had a choice as it was effectively the sole broadband provider in my area. I recently moved and can now access Sonic as my provider at lower cost AND significantly higher speeds (ie, they have fiber optic). There is no comparison between the two: Sonic is vastly better than Comcast.

We need more rather than less broadband competition to allow small broadband providers like Sonic to deliver better service at lower prices.
